Remarks

One or more photos are staged. Perfectly nestled in the peaceful, maintenance-free community of Edgewater Cove - an exclusive enclave of Edgewater Village - this modernized updated 1,928-square-foot home offers a harmonious blend of comfort, contemporary living, and the allure of natural surroundings. The property is enveloped by the scenic splendor of Lake Uihlein, affording residents access to a gated community perfect for kayaking, walking, and outdoor recreation. The home features a luminous, open-concept layout encompassing three bedrooms, two renovated bathrooms, and a versatile bonus room with an array of recent updates. The third bedroom is currently configured as a den yet functions seamlessly as a third bedroom. From the moment you enter, you will notice the appealing natural tones that extend through the spacious living areas. The recently renovated kitchen is truly the focal point of the home, appointed with premium quartz countertops, soft-close cabinetry, and sleek stainless-steel appliances—designed for both function and beauty. Enjoy morning coffee in the screened-in lanai just off the charming breakfast nook. A versatile bonus room distinguished by large windows brings in abundant natural light and enhances the open, airy feel. All while
